MRS. YERKES OCCUPIES
THE WITNESS STAND.

Chicago, Feb. 20.—Mrs. Mary Ade-
laide Yerkes, widow of the late Charles
T. Yerkes, occupied the witness stand
today in her suit to oust Louis S. Ows-
ley as executor of the late traction
magnate's estate.

"Mr. Owsley," said the witness,
wanted me to sell my house and pic-
tures in New York and said he wanted
6 per cent of the sum to be paid as
compensation for his services. He de-
clared that as executor he would have
to make some show of possession, but
that everything would come out all
right. I refused to agree and he looked
me straight in the eye and said:
"Mary, I don't know what is coming
over you of late. You do not trust me
as you formerly did."

On another occasion, Mrs. Yerkes
said, Mr. Owsley wanted to sell the
Chicago, Harvard and Geneva railway
for \$5,000, "I said that was a small
sum for a railroad, and refused to con-
sent, but he said he would sit it any-
way. I did not trust him after that."

WEST VIRGINIA SENATE
TURNS DOWN PROHIBITION

Charleston, W. Va., Feb. 20.—The
prohibition amendment resolution,
which was adopted by the house over-
whelmingly, came up in the senate to-
day, and the vote stood 16 for to 11
against. The measure requires twenty
votes to pass.

There were three absentees and an-
nouncement of the votes appeared.
and, after voting, the result was an-
nounced as 16 for and 14 against sub-
mitting the prohibition amendment to
the people, which settles the measure
for this session.

Both the Republicans and the Demo-
crats in the last campaign had a plan
in their platform promising to sub-
mit a prohibition amendment to the
people at this legislature.

are entered—Rudolph Bleher, the
German champion for 1909; Bruno
Bikler, who held the same cham-
pionship last year, and M. Couttet.
It is hoped here that next year at
the latest, there will be a repre-
sentative of America.

Special interest is taken in the
skating races for the world's cham-
pionship, because of the participation
of Oscar Mathleson, a Christiania boy
of 20 years of age. This winter he
had made several records. He has
had offers to go to America, but pre-
fers to stay at home.

King Haakon, under whose special
auspices the event will be held, will
attend.

wood Golf Club. The women's national
tournament at the Merion Cricket Club,
will be played in the week of
October 4.

Roosevelt today shook hands with
some of the most noted athletes of
the country. They were introduced
by Representatives Sulzer and Gold-
berger, and the president reiterated his
well-known opinions as to athletics,
congratulating some of his callers on
their records. The visitors included
Melvin Shepard, Harry Porter, A. A.
Kerr, Mike Murphy, E. R. Bushnell
and Wm. Schlobahn of New York.

FIGHT DREW BIG CROWD.

Paris, Feb. 20.—Sam McVey, of
California, was awarded the decision
on points over Joe Jeanette of New
York, at the end of a 20-round fight
at the Cirque de Paris last night.
As both men had been winning over
their opponents the fight drew a big
crowd. The winner received \$3,000
and the loser \$2,000.

WON NATIONAL AMATEUR RACE.

New York, Feb. 20.—Harold F. Mc-
Cormick of Chicago won the national

to return to America.

MODIFIED MARATHON
RACE IN PITTSBURGH

Pittsburgh, Feb. 20.—Under the au-
spices of the Pittsburgh Leader, a
modified Marathon race, distance
about five miles, was run here this
afternoon. Boys under sixteen years
only were eligible and when the start
was made, 2,500 boys dressed in all

manner of running togs, were off like
a lot of young colts. The start was a
false one, and it required skill on the
part of the police and race officials to
stop the avalanche. Some of the boys
had run a mile and a half before they
were stopped.

Many prizes will be distributed, and
the first one thousand to finish will be
given a medal.

TENNIS CHAMPIONSHIP
MAKES GOOD PROGRESS

New York, Feb. 20.—Good progress
was made today in the National in-
door lawn tennis championship tourna-
ment on the courts of the Seventh
Regiment armory here. In the match
between Champion W. C. Grant and
G. F. Touchard, finalist of a year ago,
Grant won, 6-4; 9-11; 6-4.

RETAINED CHAMPIONSHIP.

Philadelphia, Feb. 20.—Dr. J. A.
Miskey of the Overbrook Golf club,
Philadelphia, regained the title of
national squash racquet champion by
defeating C. B. Jennings of the Phila-
delphia Cricket club at the Racquet
club here today.

BENDER QUILTS BASEBALL.

Philadelphia, Feb. 20.—Charles A.
Bender, the great Indian pitcher of
the Philadelphia American League
club, said today that he has quit play-
ing baseball.

"I have positively decided not to
pitch any more," he is quoted as say-
ing, "but shall devote myself to match
shooting in which I have been suc-
cessful. I find that it has greatly im-
proved my health."

BEWARE OF PIRATES.

Scrappy Shortstop of Chicago Club
Thinks Race Very Close.

"We've got to beat New York, Pitts-
burg and Philadelphia again, and I
can't figure out which of these is the
toughest. All of them show signs of
so much improvement that it is hard
to say which is the best of the three,
but we'll have a lovely time of it with
any of them, especially if Evers stays
out till June 15."

And in this fashion Joe Tinker sizes
up the National league situation as it
now looks. Clarke had a couple of
"I really think, though," continued
the actorial shortstop, "that Philadel-
phia and Pittsburgh are likely to come
through faster than New York, for the
one great reason that McGraw can
not make up for Bresnahan. His
team will be stronger than ever in
pitching, better with the bat, and
brighter both inside and outside the
diamond, but the backbone of the
whole works is likely to give way at
any time, just because there is no
catcher like Bresnahan to steady up
the crowd. If Pirates win a close pinch
and a hard finish, New York will prob-
ably slip a cog just on this account."

"Pittsburg will be better than last
season simply because the team will
work together much better, and the
pitching strength will be more intelli-
gently used. Clarke had a couple of
fine young pitchers on hand last sea-
son, but, not being fully acquainted
with their possibilities, did not work
them as much as he would if he had
carried them long enough to work
them in properly. Besides stronger
pitching, if Pirates win, I believe,
be heavier with the stick—much heav-
ier. Especially if this Hyatt from
Vancouver, who is touted as a regular
Cobb, makes good, and they say he
is just naturally sure to succeed."

"Philadelphia is the dangerous party,
though. Don't be surprised at any-
thing they may do with that team.
Even if Murray's recruits don't make
good, he has made his pitching staff
so powerful that it will be like pull-
ing teeth for ordinary batmen to get
away with anything. The coming of
Moore and Coaleville—a great right-
hander and phenomenal left-hander—
gives Billy just the element of strength
he lacked last season. If he had
owned either of those men in July,
the fight would have been four-
cornered to the last."

"I can't see any team but ourselves
winning out, but we will have some
great scrapping to do till Evers comes
back, and all the way to the wire the
race will be full of explosions and
surprises."

CHINESE STUDENTS WINS
IN ORATORICAL CONTEST

Los Angeles, Cal., Feb. 20.—A. L.
Tan, a Chinese student of the Uni-
versity of Southern California, acad-
emy won the annual inter-scholastic
oratorical contest held at the Poly-
technic high school last night, defeat-
ing representatives of Occidental
academy, Los Angeles high school and
the Polytechnic school. His topic was
"China's Call for Service," and the

theme was treated in an instructive
and interesting manner.

Tan has only been in this country
two years. He is a very bright stu-
dent and speaks English fluently. A
gold medal was awarded the winner
and the oratory banner was trans-
ferred to the University of Southern
California from Occidental, which won
it last year.

PRESIDENT-ELECT TAFT
RECEIVES MANY CALLERS

Cincinnati, Feb. 19.—President-
Elect Taft received many callers at
the Pike street residence of his broth-
er during the morning. He will make
a brief address before the local cham-
ber of commerce this afternoon and
tonight will be the dinner guest of the
Knockers club.

RESOLVED THAT GIRLS
SHOULD LEARN TO BOX

Chicago, Feb. 20.—An Evanston club
has gone on record in favor of in-
struction of girls in the many art
of self-defense, by an overwhelmingly
affirmative vote on the proposition:
"Resolved, that girls should be
taught to box."

Mrs. Catherine Vaughn McCulloch,
woman justice of the peace, intro-
duced the resolution.

Aside from the immense advantage
accruing to wives in handling their
husbands, one member of the club
thought that such preparation would
be good training for housework. An-
other suggested it would be beneficial
in event of attacks by hold-up men.

One caused a murmur of dissent by
seeking to amend the resolution to
read:
"Taught to defend themselves from
violence in a ladylike manner."
This was voted down.

FORTIFICATIONS FOR THE
PHILIPPINE ISLANDS

Washington, Feb. 20.—The annual
discussion regarding the fortifications
of the Philippines took place in the
house during discussion of the fortifi-
cation bill. Mr. Smith said it was pro-
posed to cut down El Fraile island and
mount heavy guns on it at a cost of
but \$2,000,000. While maintaining that
the Philippines were an incubus on the
government, Mr. Slayden, Texas, said
the islands needed protection.

Except the amendment for fortify-
ing San Pedro harbor, the bill was op-
posed in no important particular and
was passed. The total amount appro-
priated is \$8,170,111.

WOMAN DIES OF POISON
SELF-ADMINISTERED

Chicago, Feb. 19.—Mrs. V. C. Hoak
Fenner, who recently was fined for an
alleged attempt to extort money from
Rev. Parley Powers, and who accused
him before the trustees of his church,
the Adam Street Methodist Episcopal
church, of making affectionate ad-
vances toward her, died at the hospi-
tal today of poison, self-administered.

STOCK MARKET INFLUENCED
BY THE STEEL TRADE

New York, Feb. 20.—After starting
the week with a show of decided
strength, the stock market shifted
abruptly to acute weakness when it
became known that conditions in the
steel trade were disorganized. Con-
sultations among steel men gave in-
formation that practically open com-
petition among the various interests in
the trade was intended, threatening
severe cuts in prices and probably
poor results in earnings. The market
broke badly in consequence. Rumors
of E. H. Harriman's bad health in-
tensified the weakness. The earlier
strength in the market was caused
largely by reflection of brightening
market conditions abroad by the au-
thorization of the Erie bond issue, the
increase in People's Gas dividend and
rumors of other dividend increases.

SWINDLERS PLAY A
CLEVER TRICK ON VIOTIMS

New York, Feb. 20.—Through an in-
vestigation in the Essex Market police
court it has been disclosed that a band
of swindlers have been victimizing
ignorant men and women on the East
Side by means of a mysterious ma-
chine which they asserted would in-
crease money if placed therein. Jos.
Rosenthal, a tailor, complained that
he had placed \$300 in the machine as
suggestion of Benjamin Bloom, a fel-
low tailor, and that after waiting fever-
ishly for 24 hours as directed, had
opened the contrivance, to find that it
contained only worthless paper. Bloom
was held in \$2,000 bail for trial. Hen-
ry Lampkin of Brooklyn complained
that he had lost \$750 in the same
manner and inquiry by the police
showed that an Italian had invested
\$7,000 in the money-breeder and had
received not a cent in return.

Pictures of Big Fight Prove Burns Game

London, Feb. 20.—The films of the
Burns-Johnson fight at Sydney, Aus-
tralia, December 26 last, were shown
for the first time today to The Ameri-
can correspondent at the National
Sporting club. The exhibition has
greatly boosted the stock of Sam Lang-
ford, who will meet the heavy-weight
champion here in the near future. The
films are most clear, indeed the very
best that have ever been seen here.
Every blow may be distinctly followed.
The sunny smile of Johnson is every-
where evident. Even the movements
of his lips as he chaffed Burns are
plainly visible.

Still it was the consensus of expert
opinion that the fight was a most
wretched affair from every standpoint.
It is believed that it would not have
some more than ten rounds in Eng-
land owing to the constant clinching
and holding. Contrary to reports from
Australia, Johnson did not stand off
and fight as has been believed. He
always kept at close quarters, and
indeed was most rough at his style.
It was in the clinches that the negro
got in his most damaging blows.

Burns was always the aggressor and
always outboxed Johnson. But he
played in his man's hands from the
very start. The Canadian foolishly
tried to match his strength and weight
against that of the colored fighter. He
would come to close quarters and slug
away, toe to toe. It seemed as if the
"kidding" of Johnson made Burns so
furious that he lost all judgment.

There seems some mystery as to
why the fight should have been stop-
ped. Despite the knockdown in the
fourteenth round Burns seemed strong
and able to continue. Referee McIn-
tosh, here, however, claims that the
Canadian could not possibly have last-
ed another round. He says, as the pic-
tures show, that Johnson could not
land at long range, but that he simply
"ripped him up" every time Burns
would close with him.

Now as to Langford. It is believed
here that Sam is a far abler boxer
than Johnson, according to what the
films show. If Sam will not adopt

Burns' style, but stands off and boxes,
it is believed he will be able to over-
come the handicap of weight and
reach. That Langford has the punch
is well known. If Burns could stay
fourteen rounds with Johnson, it is be-
lieved Langford will stick the limit of
twenty.

After looking at the films, Jimmie
Britt said:
"It was Johnson's size and weight
that made his victory possible. Cer-
tainly it was not ability. I do not hesi-
tate to state that if Jeffries is half as
good as he was when he retired, he
will beat Johnson easily. These pic-
tures will convince the American pub-
lic that Jeffries need not
